**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Reid Willis on 11/10/2005.

The application has been amended as follows:

In the claims:

32. (Currently amended) A compound of formula (I):

wherein Y1 and Y2, which may be the same or different, are carbohydrate groups; one of R1 and R2[[;]] is selected from the group consisting of hydrogen, a C(1-24) alkyl group, a C(1-24) alkylcarboxy group, and a carbon chain of 2 to 24 carbon atoms having one or more carbon/carbon double bonds; the other of R1 and R2 is selected from the group consisting of a C(1-24) alkyl group and a carbon chain of 2 to 24 carbon atoms having one or more carbon/carbon double bonds; and n is from 1 to 10; or a pharmaceutically acceptable salt thereof.

### REASONS FOR ALLOWANCE

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/20/2005 has been entered.

The following is an examiner's statement of reasons for allowance. The amendment of claim 32 to remove hydrogen from the list of possible second R groups of the claimed compounds has rendered the claim novel over the prior art (Pestman et al). Furthermore, the amendment narrowing the scope of claim 34 to specific R groups has been examined and found to be novel and not to constitute new matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael D. Burkhart whose telephone number is (571) 272-2915. The examiner can normally be reached on M-F 8AM-5PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave Nguyen can be reached on (571) 272-0731. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
